

Conversations

a safe space for people in the community,
where people can feel comfortable to sit,
have a cuppa and someone to listen
to their stories

Mondays 10 am - 12 noon

in the Courtyard space @ Sandgate Uniting Church

Role of Conversations

Conversations is a place of listening with respect and without judgment, providing emotional, pastoral and spiritual support for all members of our community, as well as supporting families and friends.

Conversations respect all religious and non religious traditions and spiritual practices of all members of our community.

Conversations offer comfort in times of distress and anxiety, reaching out to connect people with existing services or seek ways that may provide the care specific to individuals and families.

Conversations has a vision to create a warm inviting space for listening and fellowship to enable people to explore sustainable growth, finding faith, hope, and grace through belonging, connecting and sharing.

A place to be heard and opportunities for new stories to begin

This activity will consist of Morning Tea, Music & Conversation
